Meeting Introduction:

Meeting was started by Jeff Vaughn, President of Council.

Jeff made a reminder to all that memberships were due for 2020, please contact any committee member with any questions. In addition, all are reminded to bring any fliers and information to the tables and be sure a committee member gets a flier to be posted online. It was said that on February 19th, 2020 we are holding a meeting for Kids-A-Fair at Beginnings at 2pm. This meeting is for anyone interested in participating in planning for the event. Any and all support for Kids-A-Fair is appreciated.

Treasurer's Report:

Following the welcome, Jocelyn gave the Treasurer's Report. Jocelyn reported that the Health and Welfare Council currently has a balance of \$7,135.30. Jocelyn stated that we had an increase in money from the incoming memberships, but paying the organization's liability insurance policy and charges for the website brought the balance to the current amount.

Presentation:

In lieu of an organization presenting at this month's meeting, the committee decided to have an open discussion on some topics for the council to focus on for the coming year. Topics of discussion included Membership Benefits, Fiscal Suggestions, Future Speakers, and Kids-A-Fair brainstorming. Members were asked to separate in groups of four and rotate to each topic's station. Participation went very well for this, and we plan to get results organized and some outcomes back to everyone. To conclude, the committee members greatly appreciate the participation of the group members as we look for a positive upcoming term. The meeting was wrapped-up by Heidi giving a recap of the activity and a reminder that the next meeting is March 4, 2020 at 8:30am.

Adjournment: 9:24am
