Meeting Introduction:

Meeting was started by Jeff Vaughn, President of Council. Jeff did the introduction of the new Council members (Jocelyn Hartman, Chelsey Novak, Tim Grose, and Heidi Niebauer).

Following a brief introduction of the new leadership, Jeff reminded members of getting membership dues paid and that we are actively seeking new members to boost enrollment at the Council meetings. In addition, it was stated to expect some group survey emails to go out and that the committee members are interested in hearing from the Council members on what they would like to see the Council become in 2020.

Treasurer's Report:

Upon completion Jeff's introductions, Jocelyn gave the Treasurer's Report. Jocelyn reported that the Health and Welfare Council currently has a balance of \$7,537.19. It was mentioned to the group that a large portion of this money will be going to bring back the Kids-a-Fair in 2020. Also, it was reminded that additional membership dues will boost this amount, and we are interested in hearing what ideas the Council members have to get money back into the community.

Presentation:

The presentation for this month was by Jeannine McMillan and Leanna Bird of the 1889 Jefferson Center for Population Health. The presentation was focused on the newly introduced Pathways Community HUB Model. The goal of the HUB is to have a system of Care Coordination Agencies to employ Community Health Workers to assist folks in our area to reach the services they need. **Please see attachment for full details.**
